Working for enhancing the productivity of farmers and improving the livelihood of small farmers by our Seeding Equipments.

## About Us

Established in the year 2001, we, “**KSNM Marketing, Coimbatore**”, are engaged in manufacturing, supplying and exporting of **Agricultural Implements and Drip Laterals**. Our focus is on hand operated agricultural implements such as **Direct Paddy Seeder, Cono Weeder**. Our other major product is **Low cost drip laterals** Our major market is rice growing countries in Asia and Africa and Indian Subcontinent.

We are backed by a proficient team of professionals. We have very strong Research and Development team. Our innovative products are well accepted by farming community. '**Mr. C. V. Madeswaran**' is the mentor as well as the guide of our organization. His in-depth process knowledge, sharp business acumen, ethical business policies and transparent dealings have helped us carve a niche in the industry.
